ENVIRONMENTAL EDUCATION:

Our school premise is full of various types of plants and trees. It has pollution free environment as each student may develop a deeper understanding of environmental issues and have the skill to get informed about important decisions. We inculcate the habit of protection of plants and trees to balance the ecosystem of the society. Our students have always shown their interest and response on environmental issues. We had given target to each student to plant new sapling in their house and society which was implemented and achieved during the session. In this way our students learn how human beings can manage behaviour and ecosystem to live sustainably and get awared of environment.

Our school was awarded first rank in school of Gorakhpur for neatness and cleanliness by Nagar Ayukt, Municipal Corporation, Gorakhpur.
